Professional Display for Supermarket

The PORTO line includes the GONDOLA model – its distinctive modern design and trapezoidal shape ensure high visibility for the products displayed, as well as facilitating movement around it. Together with the PORTO 2.0 model, it forms a very attractive island, providing substantial storage and display capacity, boosting sales of frozen and chilled products

- Working Temperature (+15 °C/ -26°C)
- 2 Compressor on operation
- Automatic defrosting cycle
- Electronic Temperature Controller
- Both freezer & chiller Option
- LED Lighting
- R134a
